

## Who We Are

The Symphonie Group is a dynamic and continually evolving entity in the field of digital transformation. Within the group, Symphonie Prime centralizes business functions such as strategic management, human resources, and administration, while our delivery companies focus primarily on IT consulting and digital transformation for end clients. Our group blends various cultures, habits, and identities to create a uniquely inclusive environment. **We are all driven by passion and work together to achieve a common goal: innovation!**

## What You'll Do as a Project Manager:

- Create comprehensive and achievable work and project plans, as well as manage them using our project management tools;
- Ensure the team works optimally and adheres to operational processes, including the effective use of our tools;
- Provide guidance to the team on process improvements, continuously creating greater efficiency in the workflow;
- Supervise, schedule, and manage the team's production certifications, adhering to corporate-level requirements.

## The Experience and Skills That Make You the Right Fit for Our Team:

- Experience as a Project Manager in enhancing customer experience and delivering quality projects;
- 3 to 5 years of experience managing digital transformation projects;
- Academic background in engineering and/or computer science;
- Experience managing work groups in technical project settings;
- Specific industry expertise in areas such as Energy, Utilities, or Telco;
- Specific process expertise (e.g., CRM, Billing, warehouse and logistics management, etc.);
- Knowledge of major project management methodologies (Waterfall, Agile, or Hybrid approaches);
- Professional proficiency in English..

## The Qualities That Make You Stand Out Among Candidates:

- Basic understanding of various business elements (logistics, warehousing, accounting, digital marketing, etc.) sufficient to engage with subject matter experts within a project context;
- Excellent communication and presentation skills for interacting with project stakeholders;
- Strong organizational skills, attention to detail, and ability to prioritize tasks effectively;
- Passion for continuous learning;
- Proficiency in German and/or Spanish is a plus.

## **Mindset**

The people who work with us are not just “employees”; they are **talents who contribute, each in their own field, to creating a place without spatial or mental boundaries, where aspirations, goals, enthusiasm, and strategies blend into a virtuous path of shared evolution**, allowing everyone to grow and reach their full potential.

*The Symphonie Group has created a work environment where each person has the opportunity to express and develop their full potential. We promote indifference to gender, age, culture, language, religion, political views, sexual orientation, psychophysical abilities, personal and social conditions, focusing on people, their merits, abilities, and passion.*
