## 1. Objective

The goal of this market research is the identification of a partner that can support NOI S.p.A. in activities regarding renting of devices for the set up of a flow management system that enable registration at events and monitoring of presence in different rooms.

In particular:

- renting from 12/11 to 13/11 of
  - 11 Tablet Android 10" WiFi
  - 6 labels printers
- full service with support

Systems must be compatible with already developed SFScon app (Android <https://play.google.com/store/apps/details?id=it.sfscon.app&hl=en>, IOS <https://apps.apple.com/it/app/sfscon/id1538735385> ).

## 2. Constraints

Where the creation of material subject to proprietary rights, including copyrights, sui generis data rights, and related rights, including solely of photographs, industrial design, all rights of economic exploitation arising from achieved results are reserved to NOI L.t.d., excepting those expressly excluded when the order is placed.

Further, if the material includes a software development project, all source code from libraries or other modules used in the realisation of an assignment and belonging to a third party must be released under an Open Source license (opensource.org/ licenses) in a manner compatible with the scope of the "outbound" software license, without requirement for adaptation, addition, cancellation or requests for permission from third parties on the part of NOI L.t.d.

In the absence of any expressly indicated license, the terms of the GNU GPL v3 license shall apply. The use of material belonging to third parties must be expressly declared at the time of the offer, or be easily and immediately understandable from the description of the project. In the event that code is developed during the realisation of this assignment, NOI L.t.d. will initiate a Git repository on which the supplier must develop and publish the source code.

If the material consists of data, creative works (drawings, literary works, cinematographic works, figurative art, photographs), industrial design or other material which are subject in whole or in part to the proprietary rights of a third party, the use of such material is permitted provided it is licensed under conditions compatible with the license under which said material will be published, if indicated. If no license is indicated, the material will be subject to conditions compatible with the Creative Commons Zero (CC0) license.

### **3. Requests to the supplier**

#### **3.1 Competences**

Considering the activities included in this market research, the service provider who wants to send an offer should provide a list of references. In particular for these type of activities:

- renting informatics devices and support
- background and technical competences

#### **3.2 Invoicing**

The invoicing of the activities concluded by the supplier will be sent to NOI S.p.A via electronic invoice only after the outputs produced have been successfully tested by NOI S.p.A. Before to proceed with the testing of the outputs, the supplier must provide to NOI S.p.A.:

- the produced documentation;
- if code development is planned, the code must be uploaded to the Git repository provided by NOI S.p.A;
- in the case of multimedia contents (e.g. photos, videos, illustrations, documents), the service provider ha to upload it on specific platforms (e.g. Vimeo, Flickr, etc.) and provide the source files or open versions through appropriate file hosting services indicated by NOI S.p.A.

All invoices issued by the successful bidder must indicate that it is a transaction subject to the Split Payment discipline pursuant to Article 17-ter of Presidential Decree 633/1972 and must be issued exclusively in electronic format (code **T04ZHR3**).

Considering that one or more outputs that will be produced within this assignment may relate to projects financed by means of European funding, during testing NOI SpA reserves the right to be able to communicate any

additional information to the awarded company (e.g. CUP code , project identification code and other specific information) which must be reported on the invoice.

#### **4. Documentation**

In order to participate to this market research, we kindly ask to provide the following documentation:

- the company description that includes also the list of references in similar projects;
- the total cost for the realization of the described activities

#### **5. Deadlines and contacts**

The service providers who are interested in participating in this market research will have to present their offer within the **2nd of November 2021**.
